Federation of Community Councils
1057 W Fireweed Lane, Suite 100
Anchorage, AK 99503

Dear Community Councils,

Once again, it is time to begin the annual review of the capital project needs for Anchorage. The first step in this process is the Community Council Survey. Input from your Council is an important factor in developing the 2018-2023 Capital Improvement Budget/Program (CIB/CIP). You will find the Community Council survey on our Municipal Website at www.Munibudget.org/cc-surveys. The projects listed are those currently included in the Approved 2017-2022 Capital Improvement Program (CIP).

The primary goal of the survey is to have Community Councils provide an overall priority ranking of all capital projects in their area and suggest any additional projects. Please keep the significant fiscal constraints at the local and state level in mind. I would like to suggest that each community council prioritize its top road and park projects and encourage all residents to fill out the survey.

If you choose to proceed in this fashion, please do not feel that you have to withhold other projects that your council considers important. Feel free to keep those projects on this list for future years.

I look forward to working with you and your councils throughout the CIP/CIB process. Thank you for your commitment to Anchorage.

Best Regards,

Ethan Berkowitz
